5. Chief, Junior Officer Training Division, and the Director of Training held a meeting with the Deputy Assistant Director for Personnel at which was discussed the possibility of obtaining agreements whereby a relatively small number of Army and Air Force ROTC graduates might be brought into the Junior Officer Training Program. Should such an agreement be reached, there should be a significant increase in the number of high-quality young men who would be added to the Agency.

6. The Clandestine Fieldcraft Activities Course, scheduled to begin on Monday, 12 July, has been cancelled because only two students were registered. The impact of our inability to man a recent project with CFA-type trainees has not yet become apparent.
